Wig Vendor Hair Factory

Wig Vendor Hair Factory Wig Vendor Hair Factory was founded in 2013, which locates in Shandong province, China. We are a professional manufacturer and exporter specialized in research, production, sales and service in the field of human hair extensions.

We own a factory to supply good hair products all the time. The factory covers an area of 12000 square meters and have more than 300 workers. The production capacity is around 40 tons per month. Integrated with research and manufacture, we have strong innovation and research ability.

Years of foreign trade experience enabled us to fully understand the needs of our products and customers, guided us to better produce in line with market demand, to meet customer requirements of competitive products. In addition, most of the employees in our workshop are masters with 20 years of production experience, who are excellent leaders in the hair products industry.

We not only have a large enough supply capacity, but also with the times, with the ability to create exclusive best-seller!
